

2026 World Series Skills Breakdown

Home Run Derby

- Teams will choose 3 batters that will receive 8 Pitches and 6 swings
- Winner will be determined by total number of home runs hit
- IF a tie happens, the winner will be chosen based on the furthest homerun

Golden Arm

- Teams will choose 3 players to throw at a target on top of home plate from their designated cone in center field
- Players will get 6 attempts to hit the target in the air or 1 hop
- Winner will be determined by the amount of time that individual player hit the target
- IF a tie happens , the winner will be chosen based off of who hit the target first
- IF the tiebreaker results in another tie , there will be a throw off on another day that will be announced on the official Grand Slam website

Road Runner

- Teams will choose 3 players to run from home to home
- The clock will start on the players first move
- Winner will be determined by the fastest time
- IF a tie happens , there will be a run off on another day that will be announced on the official Grand Slam website

Around the Horn

- Our only team event that consists of 9 players
- Players will go to their designated positions in the field (including pitcher and catcher)
- ALL PLAYERS MUST TOUCH THEIR BAG
- The ball will start with the pitcher

- The pitcher throws to the catcher , who then steps on the plate and throws it to the shortstop who is on 2nd base. The shortstop will throw to first , first throws to third , third throws to the 2nd basemen who is on 2nd base, 2nd throws to right field , right field throws to center , center throws to left , and finally left throws home
- Each team will receive two attempts
- The fastest time will be awarded winner
- IF a tie happens , the teams who tied will go again on another day which will be posted on the official Grand Slam website
